

EUROCHRIE
KENYA 2017

Spouse tour – Tuesday, October 24th

While your partner is participating in EuroCHRIE17, you have the opportunity to come along on a trip to **Crescent Island Game Sanctuary**, a place far away from the noise of Nairobi, where the sound of birds and animals fill the air. This magical private island is one of the most beautiful parks in Kenya located in **Lake Naivasha**, the second largest freshwater lake in Kenya, which is a two-hour drive from Nairobi.

The island is actually a peninsula which is accessible by car from the mainland. You will walk around the island and from the top of the hill you have a 360-degree view of the Naivasha Lake with the surrounding Mt. Longonot and the distant peaks of Aberdares. Along the shore, you will see a variety of birdlife including pelicans, cormorants and fish-eagles with their haunting cry.

The exhilarating experience of walking among giraffes, zebras, waterbucks, buffalos, gazelles and impalas will leave you with lasting memories.

Of course, you can take a postcard pretty photo as you pose with the giraffe!

After a two-hour walk around the island, you will be ready for a picnic lunch by the shores of **Lake Oloiden**, while watching the hippos bob in and out of the water, and catching a view of the fish-eagle diving for its prey.

Practical information:

The price for this trip is **USD70** including lunch.

The trip will take place on Tuesday, 24th October 2017.
